Whether or not Mrs. Whitney will serve another term as president of the Woman's Christian Temperance Union of Hawaii is a question that the members of the Union are asking themselves. Mrs. Whitney was the first president of the organization, and has continued in office during the twenty-five years' life of the Union. At yesterday's meeting she presented her resignation. An effort will probably be made to induce Mrs. Whitney to reconsider her determination.

"DOCTORS OF THE MASSES" is what one writer has termed proprietary medicines.

Good, honest proprietary medicines like Lydia E. Pinkham's Vegetable Compound succeed, and the homes of the masses are blessed by them, while those which are worthless or harmful soon drop out. Thirty years of success in curing female ills is the record of Lydia E. Pinkham's Vegetable Compound.

## CHILLED BEEF

Good beef is not necessarily frozen beef, but to be sanitary, and in order that you may have tender beef without paying for tenderness it should be thoroughly chilled in cold storage. Beef from slaughter house to table cannot possibly be tender, nor good. We are offering you Australian Lamb and Niihau and Parker Ranch Beef this week that is very good, and some of the mutton in the lot is almost as sweet flavored and tender enough to suggest mint sauce.
